Kateryna Dashevskya

Structured and impact-driven professional combining analytical research with people-centered project leadership. Experienced in managing cross-functional, compliance-oriented initiatives across academic, non-profit, and corporate settings. Skilled at transforming complex objectives into data-based strategies that deliver clarity, alignment, and measurable results.

WORK EXPERIENCE

Research Collaborator (5-month contract)

Sep 2025 - Jan 2026

University of Lausanne | HEC Lausanne | VD

- Support the development of teaching materials for the Strategic Brand Management course, transforming academic research into industry-based case studies through direct collaboration with leading Swiss and international brands.
- Contributed to organizing a 250+ participant CEO event with Audemars Piguet, working closely with the Swiss Center for Luxury Research, and Luxury Tribune.

Co-founder, Project & Finance Coordinator

Oct 2019 - present

Ukrainian Women in Switzerland association (NGO) | GE

- Lead and contribute to the planning and execution of int'l events (e.g., parallel events at NGO CSW; WFUWO Conferences Budapest'24 and Málaga'25).
- Foster strong relationships with donors and partners.
- Oversee budgets, payroll (17 staff), and donor and statutory reporting, ensuring transparency and compliance with Swiss labor law and grant conditions.
- Develop automated Excel dashboards for financial tracking and reporting.
- Hold full responsibility for the website's development and content creation.

Research Assistant

Feb - Aug 2025

University of Lausanne | HEC Lausanne | VD

- Collaborated with Prof. Kenza Benhima and Dr. Maxime Phillot to define milestones, manage timelines, and deliver data-driven research outputs.
- Built a high-frequency dataset (>14M observations, 1997-2024) on Swiss bond yields from Bloomberg and official sources.
- Performed econometric event studies in Stata, identifying yield reactions to auction announcements and results.
- Integrated macro-financial data (SNB, IMF, OECD) and produced presentation-ready visuals and analyses for academic dissemination.

Research Assistant

June - Aug 2024

University of Lausanne | HEC Lausanne | VD

- Synthesized regression studies on the MENA region into a meta-analysis, identifying research methodologies for analyzing firm-level constraints and informing future studies (supervised by Prof. Kenza Benhima).
- Collaborated with Prof. Marius Brühlhart to coordinate stakeholders (UNIL & UNIBAS), ensuring alignment and consistency in project planning and execution.

Relationship Manager | Financial Institutions (FI)

Nov 2006 - Jan 2017

Commerzbank AG Ukraine | Kyiv, Ukraine

- Managed a €400M+ portfolio of cross-border financing projects, ensuring regulatory compliance and efficient execution across multiple jurisdictions.
- Spearheaded post-acquisition product integrations with Frankfurt HQ, aligning operations across the FI business in the Ukrainian subsidiary.
- Implemented an account consolidation initiative that cut transaction fees by 12%, improving cost transparency and operational efficiency.
- Coordinated the establishment of representative offices in Prague and Almaty, overseeing funding, operations, and strategic alignment.
